UNIVERSITY OF CALCUTTA

A P P E A L

The University of Calcutta has received some applications from the candidates appearing at different Professional examinations like CFA, ICSI requesting the University to change the dates of B.Com. Part – III (Hons. & Gen.) Examinations, 2014 on account of the fact that some dates of the said Professional Examinations have clashed with the dates of University Examinations.

Though the University sincerely appreciates the hardship of the students caused by such clash of dates, it is constrained to keep the schedule of B.Com. Part – III Examinations, 2014 unchanged considering the fact that owing to the Lok Sabha Elections of 2014, the examination schedule had to be postponed by more than 7 weeks and any further delay would jeopardize the entire academic schedule thereby affecting the career of a huge number of students.

All concerned are hereby requested to kindly stand by us.
