Sir,

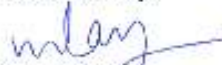

I am directed to draw your kind attention to the above mentioned subject and to request you to take necessary action for uploading the merit lists (subject wise) along with marks, as may be prepared by the colleges, in the website of the concerned colleges for admission in the classes of undergraduate level for free access of the interested persons in the matter and in case of non existence of website, the colleges concerned may take steps for developing such system with necessary internal security measures as immediately as possible.

I am further directed to request you to impress upon the heads of the colleges to admit the students in the classes of the undergraduate level through online system only in case of those colleges having website facilities.

I am also directed to request you to ensure maintenance of parity in marks scored by the candidates passing out from various boards namely West Bengal Council of Higher Secondary Education, Central Board of Secondary Education, and Indian Council for Secondary Education etc.

You are requested to take appropriate steps to communicate this to all the non govt. colleges of the states as early as possible.

Yours faithfully,

Joint Secretary
