**2.6 Innovative processes adopted by the institution in Teaching and Learning:**

Teachers mainly follow the traditional method of teaching using board and chalks; and allow students to interact with them in and outside their classroom. Teachers always address their problems, may it be relating their personal career or subject related.

In addition to above following are practised as when required –

A few such examples are –

- **Chemistry –**

Stereochemistry, which is a very important topic in all the three years of course study in Department of Chemistry, is taught taking the help of molecular models for better understanding.

- **Molecular Biology –**

Large structural model of DNA are used to teach the students for their conceptual development along with charts to expedite the teaching process. Power point presentation, use of OHP is also used as innovative methods of teaching in the class room.

- **Botany –**

Digital Power Point Presentation (PPT), Portable Disc Format (PDF) files and Word documentation by LCD projector based learning, live specimen of various floras, Discussion on the Sectional Presentation of plant sample after viewing through microscopic camera based LCD projector images, sometimes YouTube videos on various topics of syllabus through internet.

- **B.Com. –**

While teaching analysis and interpretation of financial statements, Published Financial Statements of companies are shown to give a clear idea about the various sections of the report, how data are to be extracted for the purpose of analysis and how to know the accounting practice and policy followed by the company. Further, recent developments are also brought to their notice to create interest in the area. The above are in addition to the fundamentals taught.

### 5. Student Support and Progression

#### 5.1 Contribution of IQAC in enhancing awareness about Student Support Services:

As stated earlier, we are currently in the process of conceptualization of the role of IQAC in various aspects of the academic activities of the college. However, there exists certain inherent system of awareness generation about Student Support Services:

1. College maintains a cheap store where books and other education accessories are available at a concessionary price
2. College maintains a spacious Students' Canteen where cooked food is served at a concessionary price
3. College provides all kinds of support for students to get Students' Aid in monetary terms from the college fund including different scholarships from a number of Government and Non-Government Organizations
4. College provides the opportunity of distance mode of learning for working students through the Study Centre of Indira Gandhi National Open University (IGNOU) maintained in the college premises

#### 5.2 Efforts made by the institution for tracking the progression:

All records pertaining to (1) Students' Admission, (2) Students' Registration, (3) Students' performance, (4) Students' Results, (5) Students' Scholarships etc. are duly maintained in the form of hard copies.

## Criterion – VI

### 6. Governance, Leadership and Management

#### 6.1 State the Vision and Mission of the institution:

Dinabandhu Andrews College was established in the year 1956 as per decision of Government of India [Government of India letter No. BH-5(5)/55-Genl., dated 07.01.1956] to sanction the establishment of 5 new colleges on a sponsored basis for the education mainly of displaced students from erstwhile East Pakistan, now Bangladesh.

The college at Baisnabghata, Garia, came to its existence in 1956 under the scheme of Government of West Bengal titled 'Scheme for setting up new colleges to relieve congestion in the existing colleges in Calcutta' as per Government of West Bengal Order No. 7805-Edn., dated 24/25<sup>th</sup> July, 1956 with affiliation in the then 'Intermediate' and Degree Courses in arts and Science.

Dinabandhu Andrews College started discharging its educational responsibilities in the building of Garia Baroda Prasad High School situated on Garia Station Road until its own building started taking shape at 54, Raja S.C. Mullick Road, Kolkata- 700084.

The college authority sincerely and honestly care for the very purpose of its existence: expanding the scope of higher education for the weaker sections of the society including students with poor and very poor financial background, students belonging to families where no one has ever completed school education, students who are marginalized in the society, students whose fathers are farmers/daily labourers/rickshaw pullers/auto- rickshaw drivers, students with disturbed family background etc.

The college authority made three-fold endeavour in order to achieve its goal of serving the interests of the weaker sections of the society:

1. By keeping college fees as low as possible compared to other colleges, and providing financial help in the name of free-studentship
2. By opening an additional shift in the Morning hours for accommodating maximum possible students, and
3. By opening the Study Centre of Indira Gandhi National Open University (IGNOU) in order to accommodate students who are forced to work at the prime time of their life for the interest of their indigent families.

The college authority tries its level best to ensure that no student is deprived of Higher Education for financial, social and other constraints.

#### 6.2 Does the Institution has a management Information System:

The college has not been computerized till date. The records are kept primarily as hard copy documents. However, the college maintains a college management software called 'Smart College Software' used for various purposes such as (1) Collection of Fees, (2) Maintaining college pay roll, (3) Students' Admission, (4) Students' progression from one class to another. Moreover, the college maintains its accounts using TALLY Software. We are optimistic that we will be able to computerize the whole system in near future.

#### 6.3 Quality improvement strategies adopted by the institution for each of the following:

### 6.3.1 Curriculum Development

Being an affiliated college under Calcutta University, Curricular Development is beyond the scope of the academic activities of the college. However, teachers often find opportunities in various capacities to contribute to Curricular Development.

### 6.3.2 Teaching and Learning

Improvement of the quality of teaching-learning process is a continuous one. As a part of the process, the college regularly encourages the teachers for improving the quality of teaching. For doing so the college has

1. Procured 3 LCD Projectors
2. Gradually increased the number of books and titles in the Library
3. Procured new Library Software
4. Renovated the laboratories of the Electronics and Molecular Biology departments.
5. Gradually replaced the wooden blackboards by modern synthetic boards
6. Appointed new teachers and non-teaching staff .

### 6.3.3 Examination and Evaluation

Mid-term tests and Annual Examinations are regularly held every year as per Calcutta University guidelines. Teachers/departments, however, are free to arrange tests at their discretion at any point of time.

### 6.3.4 Research and Development

Teachers are encouraged to be engaged in Research Work. Certain Minor Research Schemes have been completed while some others are in progress.

### 6.3.5 Library, ICT and physical infrastructure / instrumentation:

1. All the departments, Office and the Library use computers for various purposes. New computers are added as and when necessary
2. Physical Infrastructure including civil infrastructure are maintained and continuously developed under the supervision of the Public Works Department of the Government of West Bengal
3. Valuable and useful instruments are continuously added using UGC/State Government/College fund on a regular basis

#### 6.3.6 Human Resource Management:

Students are our priority. We exert all efforts to ensure that each and every student is academically benefitted from the college at a very low cost. College takes utmost care so that students can concentrate on their studies.

Employees, including members of teaching and non-teaching staff, are also very important in the Human Resource Management. College takes care of their interests for enabling them to concentrate on the duties they are supposed to perform. The steps taken to ensure this are as follows:

1. Ensuring regularity in the payment of salaries and other dues
2. Ensuring settlement of the cases of Career Advancements as and when applicable
3. Ensuring regularity in maintenance of service records as per rules
4. Ensuring submission of papers for terminal benefits eight months prior to the due date of retirement
5. Ensuring payment of admissible dues from Provident Fund on the last working day of the retiring employee
6. Ensuring the process of filling up the vacancies as fast as possible with strict observance of rules in force from time to time.

### 6.3.7 Faculty and Staff recruitment

1. Recruitment of Assistant Professors is done on the basis of recommendation of the West Bengal College Service Commission against the duly authenticated vacant posts in strictest observance of the reservation rules in force.
2. Recruitment of non-teaching staff is done by the Governing Body in terms of (1) Post fill up permission from Government, and the (2) existing Government Orders relating to the rules and regulations of the recruitment process
3. Other categories of staff such as Temporary Teachers, Guest Faculty, and Temporary Non-Teaching Staff are recruited by the Governing Body according to the guidelines set by it from time to time.

### 6.3.8 Industry Interaction / Collaboration:

Nothing to report up till now

### 6.3.9 Admission of Students:

The admission process is designed to have a transparent system. We followed the procedure mentioned below –

- Admission notification is given on website after publication of Class XII results.
- Details of seats and other criteria are clearly stated on our web site
- Students are required to download the Admission Forms
- Filled-in Admission Forms along with requisite application money required to be deposited either in college cash counter or in designated branches of Axix Bank Ltd.
- Detailed merit lists (subject-wise as well as category-wise) are published on web site on the date previously notified.
- Time given to candidates to report for discrepancy, if any, and correction thereof.
- Admission List (merit-wise) is published on the web site announcing the date/s of admission.
- Admission starts thereafter on the basis of admission lists.
- On admission date documents are verified first and candidates are given printed forms. After filling in some fields and obtaining the admission order, they are required to deposit cash at the cash counter.
- Subsequent Admission Lists are published if seats remain vacant.
