6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution:

Dinabandhu Andrews College was established in the year 1956 as per decision of Government of India [Government of India letter No. BH-5(5)/55-Genl., dated 07.01.1956] to sanction the establishment of 5 new colleges on a sponsored basis for the education mainly of displaced students from erstwhile East Pakistan, now Bangladesh.

The college at Baisnabghata, Garia, came to its existence in 1956 under the scheme of Government of West Bengal titled 'Scheme for setting up new colleges to relieve congestion in the existing colleges in Calcutta' as per Government of West Bengal Order No. 7805-Edn., dated 24/25th July, 1956 with affiliation in the then 'Intermediate' and Degree Courses in arts and Science.

Dinabandhu Andrews College started discharging its educational responsibilities in the building of Garia Baroda Prasad High School situated on Garia Station Road until its own building started taking shape at 54, Raja S.C. Mullick Road, Kolkata- 700084.

The college authority sincerely and honestly care for the very purpose of its existence: expanding the scope of higher education for the weaker sections of the society including students with poor and very poor financial background, students belonging to families where no one has ever completed school education, students who are marginalized in the society, students whose fathers are farmers/daily labourers/rickshaw pullers/auto- rickshaw drivers, students with disturbed family background etc.

The college authority made three-fold endeavour in order to achieve its goal of serving the interests of the weaker sections of the society:

1. By keeping college fees as low as possible compared to other colleges, and providing financial help in the name of free-studentship
2. By opening an additional shift in the Morning hours for accommodating maximum possible students, and
3. By opening the Study Centre of Indira Gandhi National Open University (IGNOU) in order to accommodate students who are forced to work at the prime time of their life for the interest of their indigent families.

The college authority tries its level best to ensure that no student is deprived of Higher Education for financial, social and other constraints.

6.2 Does the Institution has a management Information System:

The college has not been computerized till date. The records are kept primarily as hard copy documents. However, the college maintains a college management software called 'Smart College Software' used for various purposes such as (1) Collection of Fees, (2) Maintaining college pay roll, (3) Students' Admission, (4) Students' progression from one class to another. Moreover, the college maintains its accounts using TALLY Software. We are optimistic that we will be able to computerize the whole system in near future.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Being an affiliated college under Calcutta University, Curricular Development is beyond the scope of the academic activities of the college. However, teachers often find opportunities in various capacities to contribute to Curricular Development.

6.3.2 Teaching and Learning

Improvement of the quality of teaching-learning process is a continuous one. As a part of the process, the college regularly encourages the teachers for improving the quality of teaching. For doing so the college has

1. Wall hanging projectors installed in different departments and class rooms
2. One smart class room is developed; two more to follow
2. Gradually increased the number of books and titles in the Library
3. Procured a new Library Software
4. Renovated the laboratories of the Electronics and Molecular Biology departments.
5. Gradually replaced the wooden blackboards by modern synthetic boards
6. Appointed new teachers and non-teaching staff.

6.3.3 Examination and Evaluation
